Memorandum to Lieutenant Richard Heller:

Inclosed herewith you will find two photographs of the monument of the plaque erected on the Austrian Chancellory in Vienna by the Nazis in memoriam to the killers of DOLFUSS. These were found, after a long and tedious search, in the National Library in Vienna and are forwarded herewith for your information and such action as you may deem necessary. Delivery of the original plaque is impossible inasmuch as it was smashed and the pieces were scattered as rubble.
